Our fifth Annual Show will be held on Saturday 11th July 2009. This is a week earlier than last year, which means that the season will be a little less advanced as last year we found that a lot of produce was nearing the end of its season—hopefully this will produce even better results than last year.

We are also holding our third flower show. Categories will include cut flowers in vases, an oasis arrangement and also sweet peas and roses.

Our show is a strictly “just for fun” with some very modest prizes for “firsts” and of course prize cards for those amongst the places. However, we also have two trophies to present, one for the best exhibitor (The Howard Trophy), and the other for the best plot on site (Wirral Borough Council Rose Bowl).

Previous years shows have been a great success and we do hope that you will be able to help to make this year's show an equally good day by joining in, having a go with an exhibit or two, as well as donating some of your surplus produce to sell in aid of Association funds. On the back page of this leaflet you will find a list of categories including special classes for children—a mini garden in a container, and vegetable animals. We've also introduced a couple of new categories for “a jar of jam” and “blueberries” - so have a go!

We need all the help we can get. Can you grow something we can sell? Herbs, pot plants or cut flowers? Can you make some jam, marmalade or chutney, or indeed anything that will meet the current demand for home grown or home made organic produce? Proceeds will go to Association funds to help facilities on the site for all plot holders.

Maybe you can lend us some tables or chairs or possibly a gazebo? Perhaps you can volunteer your services to help put up the gazebos and get the site ready for the show. If you can help, please contact one of the show committee (Grace Trowman, Sue Youd, Christine Sloan or Helen Grant.)

On the day of the show we will have an early start erecting the marquee's and gazebos from 6.00am. Entries will be accepted from 9.00 to 10.00am and judging will take place between 10.00-11.15am. Prizes will be presented at 11.45am. The show will be opened to the public from 12noon to 2.00pm. Dismantling will begin at 2.15pm.

Don't forget to invite friends and neighbours to the show. Refreshments, plants and produce will be for sale as well as an opportunity to look around the site at the very varied allotment plots. If you can help please contact Grace or the team in person, or by e-mail to [info@plymyardhallallotments.co.uk](mailto:info@plymyardhallallotments.co.uk)
